Hi Annie, thanks for the heads-up. I'll keep you posted as the day goes on.

Kate, it appears that you also analyzed the specimen in this case (but please correct me if I've misread the cert...). If Annie's time constraints prove to be an obstacle, are you available today?

Eric

Hi,

On call is fine with me. I can be reached at the number below.

If your case does go forward, I would need to leave the courthouse by 3 pm on Wed due to prior commitments. If needed I can be available on Thursday AM.

Sorry for the inconvenience.

Hi Annie and Kate,

I'm writing to touch base regarding Commonwealth v. [REDACTED] a matter that is set for trial tomorrow in Quincy District Court. You both analyzed the specimen at issue in this case, Lab No. [REDACTED]

Can you both please confirm that you will be available on call tomorrow if the case proceeds to trial? I would also be grateful for a phone number that I can use to reach you tomorrow if necessary.

Please let me know if you need anything further from me at this time. Best regards,

Eric
